STILL CLAIMS
TO BE AUDITOR

Austin Has Not Given Up and Will Make His Defense This Morning.

The hearing of H. C. Austin on charges preferred by Governor Dole will be held this morning at ten o'clock in the Executive Chamber. The session will be open unless objection should be made by Mr. Austin or his attorneys.

The hearing before Governor Dole will be conducted in legal form. Mr. Austin, through his attorneys, C. W. Ashford and A. G. M. Robertson, will file a written answer this morning and the auditor will then be allowed to make whatever explanation he desires of the acts imputed to him. Very likely there will be denial on the part of the auditor that he had knowledge of the use of public funds in loans made to him. The charge that he gave checks to creditors in payment of personal debts without having funds in the banks upon which the instruments were drawn may be admitted in part, with the defense that he had no knowledge of the balance in the bank, and in any event it was not an act with which the government had to do.

When Auditor Austin attempted to enter his office Saturday morning he was met at the door by two policemen, who informed him that they had been instructed to prevent him from entering. Mr. Austin accepted the situation gracefully and retired, returning later to secure some private papers.

Mr. Austin still claims that he is auditor while admitting that he is not in physical possession of the office. No further attempt will be made to exercise this claim however until after the hearing. Yesterday Mr. Austin went to the office for the purpose of unlocking certain desks which contained books wanted by the acting auditor, Mr. Meyers.

MAUI'S BASEBALL
SEASON IS OVER

MAUI, September 27.—The baseball season on Maui has come and gone, and the Maui public are well satisfied with the games that have been played at Wells Park, Wailuku, and at Kihuna Park, Lahaina. The Morning Stars have the honor of being champions for the season 1902, they having won the Maui Athletic Association's cup, offered to the winning team of the Maui Baseball League.

When the league first started, four teams entered; these were the Waikapu, Morning Stars, Maui Alerts and Puunenes. The Puunenes however, disbanded before they had played many games, leaving the other three teams in the race for the cup. All games played with the Puunenes were then declared off. The Morning Stars always led the league, keeping its percentage of 1,000 up to nearly the end of the season, when they were defeated once by the Waikapu, which team had improved wonderfully since its organization. The Maui Alerts did not win any game either from the Morning Stars or from the Waikapu. The standing of the teams at the end of the season was as follows:

Morning Stars played 6, won 5, lost 1, 83.3.
Waikapu played 6, won 4, lost 2, 66.6.
Maui Alerts played 6, won 0, lost 6, 0.0.

The Morning Stars, to commemorate their victory over other teams of the Maui league, will give a concert, which will be followed by a grand ball, at the Knights of Pythias Hall, Wailuku, on Saturday evening, October 11th. The many friends of the "Kids of the Diamond" will be invited, and there is no doubt that a grand time will be had. There will be refreshments served after the ball. The hall will most likely be crowded with friends to listen to the concert, and partake in the dance. One corner of the hall will be decorated with the colors of the club, black and white.

On last Sunday, a match game was played between the Y. M. L.'s and the Government officials. It was a very exciting game, the score being 9 to 3, in favor of the Y. M. L.'s. Ned Kruger pitched for the Y. M. L. nine, and needless to say, only a few of his pitched balls were batted into the field. The score by innings was as follows:

1 2 3 4 5 6 7 8 9
Government Officials.....1 2 0 0 0 0 0 0 3
Y. M. L.3 0 2 1 0 0 2 1 9

There is some talk on Maui of a Winter Baseball League, but in all probability, there will be no winter league. The married men of Wailuku go to Lahaina tomorrow to play the benedictines of Lahaina. It is a foregone conclusion that the Wailuku nine of daddies will win out, since Ned Kruger will be in the box.

HUNDREDS GATHER AT
FEAST OF OLD HAWAII

Senatorial Party Guests of Honor at a Luau Given by Mr. and Mrs. Henry H. K. De Fries.

Gathered to honor the majority of Prince Alexander Liholiho, son of Mr. and Mrs. Henry H. K. De Fries, a half thousand guests enjoyed the hospitality of the home in Punchbowl street on Saturday evening. It was an entertainment of friends in the old fashioned way and there seemed no possible feature that might have been added to make more complete the pleasure of those who assembled.

It was a company which lacked nothing to make it one of the most brilliant assemblages of the many in honor of the senatorial party now here, and in whose honor several similar affairs have been given. Kamaaina and malihini touched elbows about the grounds and at the generous tables, and the coloring was full and rich, while the various forms of entertainment offered the guests were as close to perfection as they well could be.

Mrs. De Fries and the young man whose entering the lists of manhood was the occasion of the affair, stood in the entrance to the old fashioned residence, and there greeted the guests as they arrived. The residence had been turned over completely to the comfort and pleasure of the hundreds and attendants showed each to the cloak rooms which were in the upper apartments, and the spacious grounds and the wide lanais of the house were filled with the visitors by the time announced for the luau.

Seated on the lawn mele singers chanted the glories of the old days from the moment the incoming guests were in appreciable numbers. About 9 o'clock the hula dancers appeared and the dance, one of the best in its faithfulness to the old time standards, was on and continued for an hour before the serving of the feast. The dancers were heartily received and kept up the measures of the dance continuously, there being relief companies of the performers.

When the feast was served Princess Emma Alexandra was escorted to the table, where she sat amid her specially honored guests, by Senator Mitchell, there being seated about Senator and Mrs. Burton, Col. and Mrs. Parker, Mr. and Mrs. Mohr, Mr. W. O. Smith, and others, and at a signal the three long tables were filled to overflowing with the guests of the evening. The service was in a specially constructed and lighted tent erected on the lawn, where with the national colors blended, the banners of the nation draped about, the colors were reflected back under the glare of many lights, and the scene was one of the greatest beauty.

Music was one of the features of the evening, and a specially good quintette club sang the songs of the land. The company was one which was there for enjoyment and there was not a moment when laughter did not show that the merry makers were not at the full of their appreciation of the evening's entertainment.

After the feast there was more dancing and singing, the lawn and lanais dividing the crowds, and it was not until a very late hour that the senatorial party was able to draw away from the enjoyment of an evening which was truly typical of the life of Hawaii in the old times. And even then there was so much of life that for an hour longer there was the dance to keep the visitor until the singing of "Hawaii Pono!" was the signal for dispersal. The invited guests were:

Senator Mitchell, Senator and Mrs. Foster, Senator and Mrs. Burton, Hon. and Mrs. Jno. M. Thurston, Mr. and Mrs. Thos. Sammons, Mr. and Mrs. H. C. Robertson, Mr. and Mrs. Paul F. Mohr, Miss A. B. I CURE MEN!

With Lame Backs, With Weak Nerves.
With Rheumatism, With Lost Vitality

A man is like a steam engine. It takes steam to make him go. My belt pumps that steam into him. That's how it makes so many old men feel young. Mr. A. Crawford, Pokemama, Ore., says: "I am 70 years old, but your belt has made me feel like 35." Try it, you weak men; you will find youth and vigor in it after everything else fails. Call and test it, free, or I will send you my illustrated book, free, if you will enclose this ad.

Under the statute which they are charged with violating, a fine of \$5000 and ten years' imprisonment can be imposed. The commissioner, however, has only the power to bind the men over to await the action of the grand jury.

The complaint which is sworn to by High Sheriff Brown is in the following form:

"Comes now A. M. Brown, of said District, and upon his oath complains and says that Lai Wing and Hu Young late of the District aforesaid, heretofore, to-wit, on or about the 24th day of September, A. D. 1902, did then and there knowingly, wrongfully, and unlawfully have in their possession certain false, forged and counterfeit coins, each of which said false, forged and counterfeit coins were then and there in the resemblance and similitude of the silver coins which had heretofore been coined at the mint of the United States, and called half dollars; they the said Lai Wing and Hu Young then and there knowing the said false, forged and counterfeit coins to be then and there false, forged and counterfeit; with the intent of them, the said Lai Wing and Hu Young then and there to defraud some person to the affiant unknown; contrary to the form of the statute in such case made and provided and against the peace and dignity of the United States."

CASTRO JOINS
GEN. GARIDA

WILLEMSTAD, Island of Curacao, September 20.—President Castro of Venezuela, who arrived at Valencia, capital of the state of Carabobo, on Thursday night with 2,660 men, joined forces with Gen. Garido, who has 2,500 men, and left yesterday morning for Tucuyto at the head of a well equipped force with 12 guns to attack the revolutionary army commanded by Gen. Mendez.

It is thought probable that Mendez will retreat to Pao, as he is not strong enough to engage President Castro's forces, and lacks ammunition.

The junction of the two armies of the government of Venezuela has changed the situation, and it is now believed it will be difficult to overthrow President Castro.
